

PRE-ASSESSMENT FORM

For applicants with a non-Danish upper secondary exam

DTU offers a pre-assessment of your non-Danish upper secondary qualifications to determine how your subject levels correspond to the Danish system. The assessment covers only the subjects required for the programme you intend to apply for. Please note that the assessment is based on current regulations and is valid only for admission to DTU.

Read about the pre-assessment process at [pre-assessment of your international educational qualification](#)

To apply for a pre-assessment, you must:

1. Fill in this pre-assessment application form
2. Fill in the 'Statement of Hours' form. Find the form at dtu.dk/required_documentation
3. Attach documentation of your citizenship or your residence permit documents
4. Upload this application form, the Statement of Hours form, and all relevant educational documents in PDF format via the application form at [UnistartDTU](#)
