

PRE-ASSESSMENT FORM

For applicants with a non-Danish upper secondary exam

DTU offers to pre-assess your non-Danish upper secondary exam for you to find out what your subject levels equate in the Danish system. We only look at subjects that make up the specific entry requirements for the degree you are planning to apply for. Note that the assessment is carried out according to current rules and that the assessment is only valid at DTU.

Read about the pre-assessment process at [dtu.dk/pre-assessment of your international educational qualification](https://dtu.dk/pre-assessment-of-your-international-educational-qualification)

To apply for a pre-assessment, you must:

1. Fill in the 'Statement of Hours' form. Find the form at [dtu.dk/required documentation](https://dtu.dk/required-documentation).
2. Fill in this pre-assessment application form.
3. Upload this application along with the 'Statement of hours' and all relevant educational documents in PDF format by the application form at UnistartDTU.
